Meeting Scheduled for:_____

- The student has either taken the HESI A2 and achieved a 75 or greater cumulative score on the required sections or is signed up to take the exam prior to the application deadline. The exam may be taken no more than twice.

Exam Scheduled for:_____

Student Name: _____ Student S#: _____

Application may be accessed by using this QR Code:

- The student has completed the application prior to the appropriate deadline.
Fall Admission Applications Open January 1st and Close March 1st
Spring Admission Applications Open September 2nd and Close November 1-(upon approval by the MSBN, ACEN, and HLC).
- Accepted applicants will be ***conditionally admitted*** to the program.
- Students must plan for the following items upon conditional acceptance to the program.
- Pre-orientation onboarding Fall Date: _____ Spring Date: _____**
- Obtaining a Social Security Number
- Gather all immunization records
- Planning for Fingerprint Background Check and drug screen, American Heart Association BLS/CPR certification, physical examination screening at the campus health center

A packet of admission materials and the official acceptance letter will be **emailed to the MSSU student email.** Please print and save two copies. One, to keep for your records, and Two, to complete and turn in to the department. The instructions on the packet must be completed in the specific steps provided and by the deadlines provided.

Students who have been found guilty of Class A or B felonies or placed on the Missouri Family Care Safety Registry disqualification list will be ineligible to enter or continue in the Nursing Program.

The Nursing program reserves the right to deny acceptance or continuation in the program for the following circumstances:

- A student is found to have a criminal record or arrest record regardless of a charge and/or outcome of the arrest/charge.
- A student or applicant does not disclose the history of criminal record or arrest record (MSSU Student Handbook policy).
