### STAFF SENATE

#### Board of Governors Staff Senate Report January 2025

#### I. 2024 Angel Tree

Due to changes surrounding the FAFSA and our ability to access the list of Pell eligible students, the numbers for Angel Tree were lower this year than usual. We still had a remarkable turnout and as always, our faculty and staff, and even students this year made sure every child received gifts. Huge shout out to the EMS students for their donations that provided stocking stuffers to every single child this year as well.
